Experience

UI/UX DESIGNER AVIDION SOFTWARES PVT. LTD., GURGAON

Nov 2025 – Currently Working

- Designed user flows, wireframes, and prototypes for SaaS dashboards and web applications.
- Created modern dashboards, tables, and data visualizations with strong hierarchy and spacing.
- Developed and maintained reusable design systems and UI components in Figma.
- Collaborated with frontend (Next.js, Tailwind CSS) and backend teams for accurate implementation.
- Ensured accessibility, responsiveness, and structured information architecture.
- Conducted usability reviews to improve user experience and reduce friction.
- Designed landing pages and feature sections aligned with brand and marketing goals.
- Incorporated motion (Lottie, GSAP) and 3D elements (Spline, Blender) for enhanced visual storytelling.
- Communicated design rationale clearly and followed structured workflow using Figma and Notion.

UI/UX DESIGNER SKILLTO, LUDHIANA

June 2023 - Oct 2025

- Conduct surveys, interviews, or usability tests to understand user needs.
- Analyze data to identify user pain points and expectations.
- Create low- and high-fidelity wireframes using tools like Figma or Adobe XD.
- Develop interactive prototypes for stakeholder reviews and testing.
- Design engaging UI layouts (colors, typography, spacing, icons).
- Ensure design consistency and adherence to branding guidelines.
- Define how users move through a product.
- Optimize flows to reduce user friction and confusion.
- Work with product managers, developers, and marketing teams.
- Provide design assets and specifications for developers.
- Conduct usability tests and analyze feedback.
- Refine designs based on real user behavior.

ASSOCIATE CONSULTANT - HR O3HIRE, LUDHIANA

Oct 2021 - May 2023

- Create and publish job descriptions on job portals.
- Use LinkedIn, Naukri, or other platforms to source suitable candidates.
- Review resumes, assess qualifications, and conduct initial screening calls.
- Coordinate with department heads to align on role requirements.
- Schedule interviews with managers and candidates.
- Assist in preparing interview questions or assessments.
- Maintain communication with candidates throughout the hiring process.
- Provide feedback and keep them informed on their application status.
- Roll out offer letters and handle negotiations if needed.
- Coordinate onboarding documentation and induction process.
- Maintain daily/weekly hiring reports, pipelines, and recruitment dashboards.

TELE COLLECTION EXECUTIVE IMARQUE SOLUTIONS (P) LTD., REMOTE

Aug 2020 - Oct 2021

- Handled tele collection activities to recover overdue payments.
- Maintained accurate records of interactions with debtors.
- Negotiated repayment plans and monitored payment schedules.
