PROFILE SUMMARY

- As a **UI/UX Designer**, I am passionate about **User Research, Creating Wireframes, Prototypes, and interactive Mock-ups** to bring ideas to life. I specialize in translating user requirements into intuitive and visually appealing designs.

PROFESSIONAL EXPERIENCE

UI/UX Designer and Graphic Designer

Oct 2022 - Present

Pennsylvania Enterprise PVT LTD

- Create wireframes and UX/UI designs. Develop illustrations, logos, and other designs using software or by hand. Produce artwork like slide presentations, logos, brochures flyers, etc.
- Create Ideas based on requirements. Adhere to brand guidelines and complete projects according to the deadline. Use graphic design softwares and work with a variety of media.

Projects:-

FOOD BASED INDUSTRY DOMAIN

Leading business to providing high quality fresh frozen food products following international standards.

UI/UX Designer

April 2022 - Sep 2022

Revival Pixel UX/UI Design Agency

- Gathering user requirements with competitive analyses of other websites.
- Working with back-end developers to ensure web and mobile application logic is properly integrated.
- Identify and troubleshoot UX problems (e.g. responsiveness). Worked on layout adjustments based on user feedbacks.

Projects:-

CLOUD BASED DOMAIN

It is easy-to-use converged identity platform which supports workforce and customer identities with the option to deploy on-premises or in the cloud.

VITICULTURE DOMAIN

It develops technology to enhance wine production and analysis. Our products are used by North America's leading wine producers in British Columbia, California, and Washington.

Web Designer and Graphic Designer

Oct 2021 - April 2022

Ai Creatives Web Development Company

- Working with team to ensure web and mobile application logic is properly integrated.
- Communicate with clients about designs and developments.
- Design concepts by style standards on fonts, colors, art arrangement, size, type size and style and images submitting them for approval.
