

DEVESH KUMAR

Ios Developer (1 Year exp.)

Contact Details: 6386837185

EmailId: devesh7376kumar@gmail.com

Results-oriented software developer with **1** Year experience in iOS development. I make it my goal to create software with the user in mind, creating applications with a useable and intuitive user interface experience. I also understand the importance of creating highly readable and easily maintainable source code. I am constantly striving to learn new technologies and look to ways to better myself in this rapidly changing industry.
