Career Objective

To secure a position as a Web Designer where I can bring together creativity, technical expertise, and a keen eye for detail to craft high-performance, user-centric websites. I aspire to contribute meaningfully to a team that values innovation, design thinking, and cutting-edge web technologies, while continuously evolving my skills in UI/UX design, responsive development, and modern front-end frameworks.

Education

Bachelor of Computer Applications (BCA)

Panjab University

Senior Secondary (12th - Non-Medical)

Central Board of Secondary Education (CBSE)

Secondary (10th)

Central Board of Secondary Education (CBSE)
