- **Sunfocus Solutions Mohali, India** Jan 2022 - Feb 2026
iOS Developer

Education

- **TIMT Yamunanagar** 2017-2020
MCA
58
- **J.V.Jain College Saharanpur** 2014-2017
B.Sc.
55.4

Skills

- Proficient in Swift 6.0, SwiftUI, SwiftData and Cocoa Touch, developing scalable, maintainable, and high-performance iOS applications.
- Experienced with MVC and MVVM architectures, ensuring clean code, modularity, and testability.
- Hands-on experience with RxSwift, enabling reactive and responsive UI and data flow.
- Strong knowledge of Core Data, Realm, and SQLite for local data persistence and offline capabilities.
- Integrated REST APIs / third-party services with efficient networking and data handling.
- Experience working with Push Notifications, background tasks, and app lifecycle management.
- Successfully managed in-app purchases and subscriptions using RevenueCat.
- Built real-time communication features using Socket implementations.
- Implemented Firebase services like Authentication, Firestore, Analytics & Crashlytics.
- Hands-on experience with Git, GitHub, Bitbucket, and GitLab for version control and CI workflows.
- Strong collaboration using Jira and Trello, following Agile/Scrum methodologies.
- Experience in app deployment and release management to App Store.

Projects

- **Foojan**
Foojan app is an empowering mental wellness app designed to guide users through a transformative journey of self-discovery and personal growth.
By integrating multi-modal psychological theories and practical tools, it fosters self awareness, heals emotional wounds, and cultivates a proactive mindset for a fulfilling and joyful life.
Offering step-by-step processes, it enables users to navigate challenges, heal the past, and embrace intentional living.

- **Enomy**

Enomy is a hyper-local marketplace app with everything you need to trade on-the-go. Whether you have one or multiple stores, this app makes it easy for you to publish products, enjoy sales, traffic, and visibility through a growing marketplace. Enomy makes setting up your virtual stores fast and easy. Spend less time building your online store and more time selling to grow your business quickly.

- **Bushnell Connect**

Track your hike, backpacking or hunt trip with the Bushnell BackTrack Mini, then save those trips or waypoints to Bushnell Connect. Save storage space by managing the trips and waypoints in the Bushnell Connect Library. From the library, trips and waypoints can be shared with a friend. Trips and waypoints can be viewed or edited within the smartphone on-board map.
