Experience

Lisco Technologies LLP / UI/UX Designer, Intern

Remote, Mumbai • 24th Nov 2025 - 10th June 2026

- Designed effective user interfaces, experience and flows based on deep understanding of the users.
- Collaborated with **Sr. Designer, Developers** and **Client** to set the vision for the user experience and bring life to products.
- Produced Personas, User flows, Journey maps, sketches, wire-frames, through a **rapid prototype**.
- Worked **independently and collaboratively** on SaaS projects centered around user research, Visual design & rapid prototyping.
- Worked with a cross functional team of developers and Sales Team in an **Agile** environment to bring designs to light.
- Collaborated with developers to ensure that designs were accurately implemented and met **WCAG 2.0 accessibility standards**
- Coordinated with the client and social media teams to boost social presence and **increase user engagement by 25%**.
- Conducted monthly **design workshops** to share knowledge about new learning, uplifting overall team output.

What Impact I Delivered: | Result

- Responsible for designing the look and feel for the updated website which increased the **traffic by 40%, page views by 60%** and **average session time by 90%**.
