SUMMARY

Proficient Front-End Developer with over **3 years of professional experience** specializing in building responsive, scalable, and user-friendly web applications. Proficient in **HTML, CSS, JavaScript, React.js, Bootstrap, and Git**. Took a planned **career break during 2024-2025** to enhance technical and communication skills through structured certification programs and hands-on projects. Now fully prepared to re-enter the workforce.

SKILLS

TECHNICAL SKILLS

Languages & Markup:

- HTML5
- CSS3
- JavaScript (ES6+)

Frameworks & Libraries:

- React.js,
- Bootstrap

Version Control:

- Git
- GitHub

Tools & Platforms:

- VS Code
- Chrome DevTools,

Design Skills

- Figma (wireframing, prototyping, UI design)

Technical Concepts

- Single Page Applications (SPA)
- Responsive Web Design

PROFESSIONAL EXPERIENCE

SOFTWARE DEVELOPER (FRONT-END)

Apptivo Software Pvt Ltd 2020 - 2023

- Developed responsive and interactive web applications using **React.js, JavaScript, HTML, and CSS**.
- Translated **UI/UX designs** into pixel-perfect, mobile-friendly layouts using Bootstrap.
- Built reusable React components to improve scalability and code maintainability.
- Integrated REST APIs and handled dynamic data rendering.
- Collaborated with cross-functional teams using Git for version control and code management.

WEB DEVELOPER INTERN

Uniq Technologies 2019 - 2020

- Assist in designing, developing, and maintaining responsive web applications.
- Developed responsive web pages using HTML, CSS, and JavaScript.
- Converted Figma designs into interactive user interfaces.

CAREER BREAK

Planned Career Break with Skill Enhancement

2024 - 2025

- Took a planned break for personal commitments.
- Continued hands-on practice with React.js and modern JavaScript features.
- Built personal projects to strengthen frontend architecture and UI development skills.
- Maintained GitHub repositories to practice version control and collaboration workflows.
- Stayed updated with current frontend trends and best practices.

PROJECTS

Client Management System | JavaScript

- Designed and developed a **JavaScript**-based Client Management System to manage client records.
- Implemented **CRUD operations** (Create, Read, Update, Delete) for client data.
- Built dynamic user interfaces using DOM manipulation and event handling.
- Implemented form validation and error handling for data integrity.
- Designed **responsive layouts** for cross-device usability.

Online Shopping Platform Web Application | React

- Built reusable and modular **React components** for scalability.
- Implemented product listing, product details, and shopping cart functionality.
- Managed application state using **React Hooks**.

LANGUAGES

- English
- Tamil

GITHUB PROJECTS

GitHub :

<https://github.com/Mathi4861069>

- Maintains frontend projects using HTML, CSS, JavaScript, and React.js
- Demonstrates hands-on experience with component-based architecture
- Uses Git for version control, branching, and commits

CERTIFICATIONS

- Front End Development - HTML
- Front End Development - CSS
- Complete JavaScript
- Git & Version Control Certification
- Professional English Communication Certification
- React JS Certification

EDUCATION

Bachelor of Engineering 2016 - 2020

Computer Science and Engineering |
National Engineering College

CGPA: 8.73

HOBBIES

- Reading Books
- Listening to music
- UI design and prototyping (Figma)
- Technology upskilling
