About Me

I'm a passionate **UI/UX Designer** with hands-on experience designing and implementing user-centric digital experiences. With a strong foundation in design systems, prototyping, and usability, I bridge the gap between design and development—ensuring that every interface not only looks great but functions seamlessly. I love transforming complex ideas into intuitive, accessible, and visually engaging digital products.

Core Skills

Design & Prototyping: Figma, Adobe XD, Photoshop, Canva, Framer (Basic)

Wireframing & Prototyping: Low/High-Fidelity Wireframes, Interactive Prototypes

Design Systems: Component Libraries, Reusable UI Patterns

UX Designer : Developer Handoff, Responsive Design Implementation, HTML/CSS (Basic familiarity), User-Centered Design

Other Skills: Problem Solving, Visual Hierarchy, Interaction Design, Competitive Analysis

Work Experience

Blockcube Technology | Gurgaon, India

Trainee – UI/UX Designer | Nov 2024 – Feb 2025

- Designed responsive website and mobile app interfaces for the Powerxchange project.
- Collaborated closely with senior designers and the CEO for design strategy alignment.
- Conducted user research, created personas, and performed competitive analysis.
- Developed high-fidelity mockups and interactive prototypes for developer handoff.
- Created marketing visuals and campaign posters for product promotions.

Seventh Square | Remote

Freelance UI/UX Designer | Jun 2024 – Sep 2024

- Designed a responsive eCommerce platform for buying/selling hardware tools.
- Worked directly with clients to define requirements and craft tailored UX solutions.
- Delivered design prototypes that improved usability and visual consistency.

Dots & Coms | Vadodara, India

Trainee – UI/UX Designer | Feb 2024 – Apr 2024

- Redesigned websites for clients like GBA and TCL, improving usability and navigation.
- Built a centralized platform for GBA's tournament and registration management.
- Designed KP Pest Control's website with a clean and intuitive UI for easier navigation.

Av IT Business Solution | Pune, India

UI/UX Designer Intern | Nov 2022 – Jul 2023

- Revamped multiple client websites, focusing on UI clarity and UX simplicity.
- Ensured alignment between visual design and business goals.
- Improved site navigation and aesthetics through thoughtful layout and interaction design.

Education

B.E. in Mechanical Engineering

Shri Jaykumar Rawal Institute of Technology, Maharashtra | Sep 2021
