Bookcoly

- **Description**

In this 21st century, the nature has been severely destroyed, and overexploitation of trees for paper production has been a main concern throughout these years. BOOKCOLY is an app for the sale or purchase of second-hand books. All the recovered books are assured to be in good or fair condition.

We will ensure each book to go through disinfection, polishing, odour and mildew removal thoroughly before sale.

This is to maximise the reader's experience and achieve a reproduced value of preloved books by getting a new owner.

- **Responsibilities** : App development in swift, Bug fixing.

- **IOS** - <https://apps.apple.com/us/app/bookcoly/id1603407283>
