

SHRUTI

Android Developer | Java | XML | Firebase | MVVM

☎ +91 9041006315 ✉ shruti12052004@gmail.com [in LinkedIn](#) [GitHub](#) [LeetCode](#)

PROFILE

Android Developer with hands-on experience in building Android apps using Java, Firebase, and cloud services. Skilled in full-cycle development from XML UI design and MVVM pattern to real-time database integration and API connectivity. Seeking internship opportunities to contribute to real-world products and grow within a team.

EDUCATION

Master of Computer Applications (MCA)

– Indira Gandhi Delhi Technical University for Women, Delhi (IGDTUW)

Aug 2025 – Aug 2027 (Pursuing)

CGPA: 8.76 (Currently)

Bachelor of Computer Applications (BCA)

– DAV Institute of Engineering & Technology, Jalandhar (IKGPTU)

Sep 2022 – Jun 2025

CGPA/Percentage: 8.97/84.79%

Senior Secondary Education (Commerce + Maths + CS)

– Sanskriti KMV School, Jalandhar (CBSE)

Apr 2021 – Mar 2022

Percentage: 93.0% (6 Subjects)

Secondary Education

– Sanskriti KMV School, Jalandhar (CBSE)

Apr 2019 – Mar 2020

Percentage: 91.43% (7 Subjects)

TECHNICAL SKILLS

- **Developer Tools:** Android Studio, VS Code, IntelliJ IDEA
- **Programming Languages:** Java, Python, C/C++
- **Android:** XML, MVVM (ViewModel + LiveData), MVC, Material Design Components
- **Backend & Cloud:** Firebase Authentication, Cloud Firestore, Cloudinary
- **Databases:** MySQL, SQLite
- **Libraries/Tools:** Glide, REST APIs; **Version Control:** Git & GitHub
- **Core Subjects:** Data Structures and Algorithms, OOPs, DBMS, Operating Systems, Computer Networks
- **Other Tools:** MS-Office, Canva, Adobe Photoshop

PROJECTS

- **LoFo (LOst & FOund) – Android Application** [Source Code](#)
– Java, XML, MVVM, Firebase Auth, Cloud Firestore, MediatorLiveData, Cloudinary, Glide
Developed a community-based lost and found platform with real-time data sync, image uploads, email-verified authentication, live keyword search across tab-based status filters, and complete item lifecycle management.
- **oMo (Osam-MOsam) – Android Weather Application** [Source Code](#)
– XML, Java, REST APIs, SimpleHTTPRequest, SharedPreferences
Built a real-time weather app delivering current conditions, hourly forecasts, a 5-day outlook, air quality insights, sunrise/sunset data, and core weather metrics with multi-city management and theme support.

TRAINING & CERTIFICATIONS | [LINK](#)

- Training in Android Development in Java (3 Months) – [Webdox Infotech](#), Jalandhar
- Training in Android App Development (1 Month) – [Acmegrade](#), Bengaluru
- Internship in Android App Development (2 Months) – [Acmegrade](#), Bengaluru
- Workshop on Android Talk (2 Days) – [GDSC](#), DAVIET
- Training in Python for Data Science & ML using AI (3 Months) – [Itronix Solution](#), Jalandhar
- Workshop on Data Science using Python (5 Days) – [BrainOVision Solutions](#), Hyderabad
- Training in Python Programming (1 Month) – [O7 Services](#), Jalandhar
- Workshop on Web Designing (45 Days) – [MSME - TC - CIHT](#), Jalandhar

ACHIEVEMENTS

- Cleared **TCS B.Sc Ignite & Smart Hiring YOP 2025** Entrance Test and shortlisted for the in-person interview.
- Achieved **318th** rank in **VITMEE 2025** and selected for the MCA program at VIT, **Vellore** Campus.
- Scored **98.92%ile** in **MAH CET MCA 2025**.
- Secured **23rd** rank in **IGDTUW MCA Entrance Test 2025**.
- Secured **44th** rank in **Jamia Millia Islamia (JMI) MCA Entrance Test 2025**.
- Ranked **103 out of 929 candidates** in **GGSIPU MCA CET 2025**.
- Selected in **Christ University, Delhi NCR** Campus for MCA.
