Skills

HTML | CSS | Bootstrap | JavaScript (ES-6) | TypeScript | React JS | Angular | Git & GitHub | Jira Tool | VS Code | API Integration | Docker | Kubernetes | Jest | Azure DevOps (ADO) | Core Java |

Experience

Anthology International Pvt. Ltd. (Ed-Tech)
Associate Software Engineer II

May 2025 – Dec 2025
Bangalore, India.

- Improved overall app responsiveness and reduced **Time to Interactive (TTI)** from **6s to 3.5s**.
- Wrote **unit and integration tests** with **Jest and React Testing Library** to ensure stability of grading and assessment components.
- Ensured **CORS** (cross-browser resource sharing), optimized speed, and maintained **clean, well-documented code**.
- Collaborated in an **Agile/Scrum team**, contributing to technical discussions, ADO documentation, and backlog decisions.
- Experienced in using **Azure DevOps (ADO)** for CI/CD pipelines, work item tracking, pull request management, and release workflows.

Wayzon Technology Services Pvt. Ltd.
Front-End Developer

Feb 2022 – May 2025
Pune, India

- Developed **responsive and scalable** web applications using **ReactJS, HTML5, CSS3, and JavaScript**.
- Created **reusable React components** and implemented **interactive UI features** like charts, tables, and animations.
- Collaborated with **UI/UX designers and back-end teams** to enhance application performance.
- Implemented **SEO best practices**, including structured data, meta tags, and performance optimization.
- Worked on **customized e-commerce platforms**, improving UI/UX and functionality.
- Used **Git/GitHub for version control** and followed **Agile (Scrum) methodologies** with **JIRA**.
- Used **Azure DevOps (ADO)** for CI/CD automation, work item tracking, pull requests, and release management.

Projects

E-commerce clothing website. (D2C- Direct to Consumer)

- Developed a fully responsive e-commerce clothing website using **HTML5, CSS3, JavaScript, Bootstrap** and **React**.
- Implemented an **interactive and user-friendly UI/UX** with a seamless shopping experience.
- Integrated product filtering, sorting, and search functionalities for enhanced usability.
- Optimized website performance for **faster load times** and **mobile responsiveness**.
- Worked with **APIs** to fetch and display product data dynamically.
- Collaborated with back-end developers to integrate payment gateways and order management systems.

Clinical Cosmetology & Aesthetic Medicine Website. (Client – Pharma Institute)

- Developed the **front-end** of a Clinical Cosmetology & Aesthetic Medicine website using **HTML, CSS, JavaScript, and Bootstrap**.
- Designed and implemented a **modern, user-friendly UI/UX** to enhance client engagement.
- Ensured **mobile responsiveness** and **cross-browser compatibility** for a seamless experience across devices.
- Integrated **dynamic content** and interactive components for improved user interaction.
- Optimized website performance for **faster load times** and **smooth navigation**.
- Worked closely with the client to align the design with their brand identity and business goals.

Education

Savitribai Phule Pune University (SPPU)
Bachelor of Engineering

2015 – 2019
Pune, Maharashtra

Center Development Of Advanced Computing (C-DAC)
PG-DAC

Feb 2022 – Oct 2022
Pune, Maharashtra

Key Achievements

- Developed and launched **ReactJS web applications**, receiving positive feedback from users and stakeholders.
- Created a **responsive landing page** for a startup, boosting user engagement and conversion rates.
- Optimized web application performance, reducing **page load time by 30%** and improving user experience.
- Contributed to a **component library**, enhancing development speed and front-end consistency.
- Experienced in designing and developing **scalable, user-friendly web applications** using **HTML5, CSS3, and JavaScript**.
