SKILLS

- Languages: Kotlin, Java
- Android: Jetpack Compose, Android SDK, MVVM Architecture, Navigation Component
- Asynchronous: Coroutines, Flow, LiveData
- Libraries: Retrofit, Room, Hilt, Firebase
- Concepts: API Integration, Version Control (Git), Application Development
- Tools: Git, GitHub, Android Studio, Google Play Console
- Concepts: REST API Integration, Clean Architecture, Dependency Injection

WORK EXPERIENCE

Android Developer — Pribex Tech Pvt Ltd | Pune

Nov 2025 – Dec 2025

- Worked on building social media Android application features using Kotlin, Jetpack Compose, MVVM, and Hilt.
- Implemented authentication flows, posts, camera & media handling, permissions, and API integration.

Android Developer Intern – Infinity Labs

Unbound Application (Play Store – 5,000+ downloads) | [Play Store] - [LINK](#)

Dec 2024 - June 2025

- Team contribution on Unbound app using Kotlin, MVVM, Hilt, Room Database and Firebase.
- Worked on EMDb and MarketExplorer modules focusing on data display and stability.
- Solely developed the Publisher app to manage and upload app content and events to Firebase.

Minimalistic Launcher (Play Store – 100K+ downloads) | [Play Store] - [LINK](#)

Dec 2024 - June 2025

- Contributed to feature development including daily affirmations, motivational content, and quick notes functionality.
- Implemented Firebase-based data fetching for dynamic content updates and user notes.

ResiEasy – Mobile Product Developer (Startup Founder)

Kotlin + Firebase + MVVM + Hilt | [Play Store] - [LINK](#)

Aug 2023 - Apr 2024

- Built and launched ResiEasy, a rental platform for my startup with buy/sell/rent features, offline Room support, and multimedia posts. Integrated Firebase Messaging and Google Sign-In.
- Achieved 800+ downloads and 450+ users, validating product-market fit.

PROJECTS

May 2024 - Oct 2024

Reshim Shetkari - Java + Firebase + MVVM + Hilt | [Play Store] - [LINK](#)

- Developed an app for silk farmers to view daily rates, share posts, and ask queries based on user roles.
- Integrated Firestore, Google Authentication, and role-based data access using MVVM architecture. Achieved **500+ downloads** and **250+ authenticated users**.

Secret Diary Application | [Play Store] - [LINK](#)

- Developed a personal diary application where users can write, view, edit, and manage daily notes.
- Enabled users to attach images to diary entries and view their daily posts on the home screen.
- Implemented Firebase Authentication, Firebase Database, and Firebase Storage for secure user data management.

CERTIFICATIONS

Android Development Internship — Infinity Labs (Remote) - [Dec 2024 – June 2025] | [CERTIFICATE](#)

- Completed 6-month internship contributing to Unbound apps and Minimalist Launcher.

EDUCATION

B.Tech in Computer Science and Engineering

Shri Guru Gobind Singhji Institute of Engineering and Technology, Nanded, Maharashtra
