Other Skills: Fast Debugging, Strong Knowledge of UX, Timely Deliveries, Object-Oriented Programming System (OOPS), Protocol-Oriented Programming, Test-Driven Development (TDD), Third-Party Frameworks, CocoaPods, Swift Package Manager (SPM), Apple Human Interface Guidelines (HIG), Experience with CI/CD, Replicating UI from Figma

Professional Experience

Roadcast Tech Solutions, iOS Developer

Dec 2025 – Present — Delhi, India

Bolt v2 - GraphQL SDK & iOS Application

- Architected and developed GraphQL SDK using Apollo iOS with MVVM architecture
- Built type-safe API layer with automated code generation, reducing manual code by 70%
- Implemented JWT-based authentication with auto-refresh
- Integrated Agora SDK, Firebase services, and Google Maps API
- Developed modular Swift package (iOS 15+) using SPM
- Built networking layer with error handling and retry logic

Neuronimbus Software Services Ltd., SDE - iOS

Mar 2023 – March 2025 — Gurgaon, Haryana

Havells One

- Worked on Flutter app Havells One in a team environment
- Developed and maintained multiple app modules
- Integrated Razorpay payment gateway for transactions
- Built and enhanced UI screens using Flutter
- Collaborated with team to deliver features smoothly

MyNikon (Photography Platform)

- Developed iOS app using Swift and UIKit
- Integrated Razorpay and secure payment gateways
- Implemented SSO, push notifications, and dynamic links
- Reduced UI freezes by 30% via optimization
- Managed CI/CD pipelines and App Store deployment

Invest (Online Investment Platform)

- Designed scalable MVVM architecture
- Implemented AES encryption and Socket.IO
- Integrated Firebase Analytics and deep linking

- Improved real-time updates by 25%

Antino Labs Pvt. Ltd., iOS Developer

Jun 2022 – Mar 2023 — Gurgaon, Haryana

Vidal Health (Healthcare App)

- Built app using Swift, Objective-C, UIKit
- Integrated video consultation and messaging
- Improved performance by 20%

Opinito (Social App)

- Developed MVVM-based social platform
- Integrated Firebase for notifications
- Ensured Apple HIG compliance

Desktek Info Solutions Pvt. Ltd., iOS Developer Intern

Jan 2022 – Jun 2022 — Pune, Maharashtra

DhakDhak (Short Video Platform)

- Contributed to app development using Swift
- Implemented video streaming and uploads
- Assisted QA and deployment

Education

Rajiv Gandhi Technical University (RGTU)

B.Tech in Mechanical Engineering

2015 – 2019

Percentage: 71.2%

Bhopal, Madhya Pradesh

Training & Certifications

- SwiftUI training - Swiftful Thinking
- iOS & Swift Development Bootcamp - Dr. Angela Yu
