

Professional Summary

- iOS Developer with hands-on experience delivering production-scale applications using Swift, UIKit, SwiftUI, and MVVM architecture. Contributed to 3 live App Store apps with feature development, REST API, release deployments.

Skills

iOS Development	Swift, SwiftUI, UIKit, MVVM architecture, modular UI components, reusable networking layers, REST API Integration & Bug Fixing
Tools & Technologies	Xcode, Git, GitHub, REST APIs Postman
Version Control	Git (Branching, Merging, Collaboration Workflows)
Soft Skills	Teamwork, Problem Solving, Performance Focused

Experience

Netaxis IT Solutions	Chennai, India
iOS Developer (Trainee → Full-time) — 8 Months	On-site
- Primary contributor (70% ownership) to feature development across 3 production-level iOS applications deployed on the App Store. - Delivered 20+ weekly feature updates improving release delivery speed by approximately 30%. - Implemented 25+ UI screens, business logic modules, and REST API integrations using Swift, SwiftUI, and MVVM architecture. - Managed 10+ App Store release cycles including build configuration, TestFlight validation, provisioning profiles, and submission workflows. - Collaborated within a 4-6 member Agile team using Git workflows (branching, merging, pull requests).	

Projects

SchoolKitify App Store Link	SwiftUI, UIKit, REST API
- Developed 15+ UI screens and implemented business logic modules for a production-level school management iOS application. - Integrated 10+ REST API endpoints supporting student data, attendance tracking, and communication workflows. - Improved navigation efficiency and reduced screen transition latency by approximately 20%. - Delivered weekly production-ready feature updates using collaborative Git workflows in Agile development cycles.	
GoMeetify App Store Link	SwiftUI, CoreData, REST API, Razorpay SDK, Jitsi Meet SDK
- Integrated secure authentication and backend connectivity through REST API integration. - Implemented Razorpay payment gateway integration enabling seamless in-app transaction workflows. - Integrated Jitsi Meet SDK to support real-time video meeting functionality within the application. - Implemented CoreData persistence, reducing repeated API calls by approximately 30%. - Supported multiple App Store deployments including version upgrades and release testing cycles.	

Education

Visvodaya Engineering College	2021-2026
Bachulor of Computer Science and Engineering	Kavali, Andhra Pradesh
- Achieved CGPA : 7.1 - Coursework : Programming with SwiftUI, Core Data, iOS Frameworks.	
Nalanda Jr college	2019-2021
MPC	Ananthapur, Andhra Pradesh
Achieved CGPA : 7.4	

Certificates & Achievements

- Completed **iOS App Development Bootcamp** by Angela Yu on Udemy.
- Successfully completed **100 Days iOS Development Training Program** at **Netaxis IT Solutions**.
- Earned the **Meta iOS Developer Professional Certificate** from Meta.
